

**Graduation Requirements:**

As per College policy, students must receive a minimum grade of "C" in all required courses for graduation. Once in the Radiography Program, students must maintain a 2.0 minimum accumulative GPA for continuation in and completion of the program sequence.

Students must maintain a 75 percent minimum clinical grade to continue in the program. Please refer to the Radiography Student Handbook for additional information

**Career Opportunities:**

Students have the opportunity to pursue advanced education and training, then move into specialized areas of imaging and diagnostics such as magnetic resonance imaging (MRI) and ultrasound.
