Teacher Boot Camps Were Great!

Marion Technical College ran three very successful Teacher Boot Camps – one in Wyandot County and two in Marion County. We want to give a big THANK YOU to all the companies who participated in making these Boot Camps so worthwhile. In Wyandot County we had five teachers tour The Andersons, Kalmbach Feeds, Vaughn Industries, Wyandot Memorial Hospital, Prospira and Hanon Systems. The 12 teachers participating in the Marion County 1.0 Boot Camp toured Silver Line, Sakamura, Whirlpool, SIKA Warehouse, POET and Graphic Packaging. The Marion 2.0 Boot Camp had 7 teachers who toured ArcelorMittal, RiAlto Manufacturing, Nucor, UTLX and OhioHealth. We all had a lot of fun participating in the teachers' culminating lesson plans and presentations – they were so creative! Across the two counties, close to 3500 students have the potential to be impacted by the information learned as it is shared throughout the year.
