

January 2023

## Greg Timberlake has been busy . . .

On Jan. 26, 2023, Greg was the featured speaker at the Wyandot County Chamber's Annual Meeting. Everyone enjoyed taking a quick DISC quiz and learning each other's work personality preferences. It made for some fun conversations!

Greg has also been doing some training for United Way and JFS. Let us know if you need Greg's services. He specializes in organizational leadership and can help your team develop action and results-based strategies for planning and executing organizational change.

## Heads Up! There are some great opportunities coming soon . . .

### **TSA Precheck event!**

MTC Downtown will be hosting TSA Precheck April 11-14, 2023. This is your opportunity to apply for your TSA precheck number and get everything done in one spot. TSA precheck allows you to experience a smoother screening process – no need to remove shoes, belts, 3-1-1 liquids, laptops or light jackets. More information to come!

### **2023 Teacher Manufacturing Boot Camp!**

We will once again be offering a teacher manufacturing boot camp. This year's camp will be June 12, 13, 14, 15 and 23. Participants will gain first-hand experience about the rewarding careers available in manufacturing companies in Marion County and the skills students need to obtain and retain these positions. Participants will also receive 3 graduate credits from Ashland University, funded through the Office of Workforce Transformation, Lt. Governor, John Husted. The deadline to apply is April 1, 2023 and only 15 will be accepted. Apply here (open in Google Chrome):

### **On another note:**

We will be the first county in the state to offer a Teacher Manufacturing Boot Camp 2.0! Last year's boot camp participants will get a special invite to attend this program. They will visit six additional manufacturing companies as well as participate in activities to learn about the Smart Manufacturing program being offered here at MTC.

### **Dept. of Transportation Hazardous Materials Regulation – Basic Awareness Workshop**

Aug. 1-3, 2023, MTC Downtown will be hosting this training for FREE through a NPETE PHMSA HMIT grant. More information on how to register coming soon.
