May is Law Enforcement Appreciation Month!

Also, National Police Week occurs every May. In 1962, President Kennedy proclaimed May 15 as National Peace Officers Memorial Day and the calendar week in which May 15 falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

Law enforcement officers go through a lot of training not only before they become an officer, but also throughout their career. Marion Tech is proud to provide high-levels of training to both new and experienced law enforcement officers and related positions. In the last five years, we have held 150+ trainings with over 2500 students from 17 different counties around the state at our STAR Academy certified by the Ohio Attorney General's office.

TSA Pre-check was a success!
