augensteinm@mtc.edu or 740-360-3698

See attached flyer for additional information.

July TechCred application is now open!

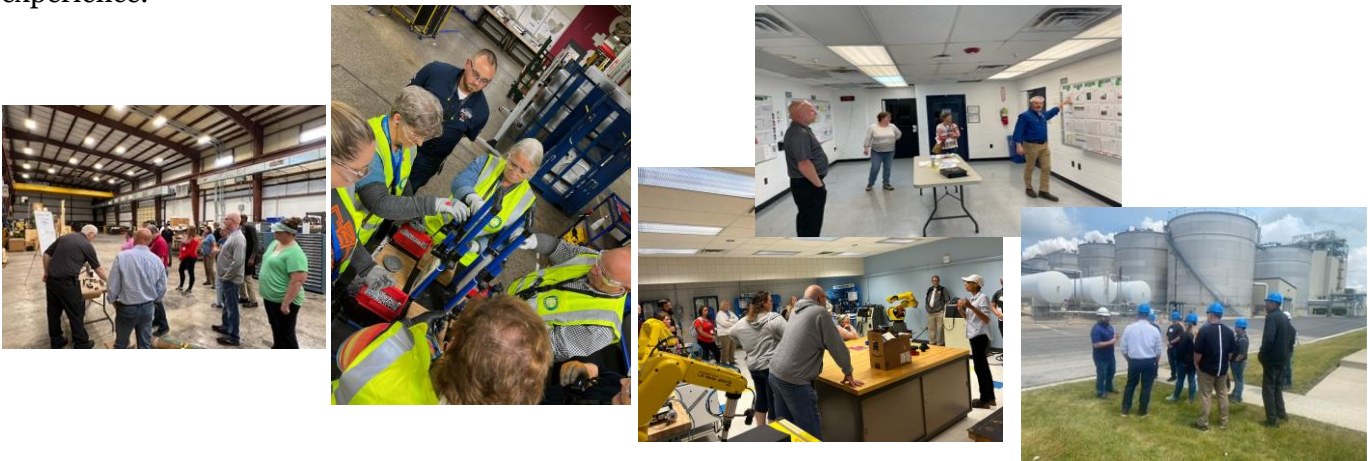

Ohio Lt. Governor Jon Husted, who serves as Director of the Governor's Office of Workforce Transformation, today announced the results of the May round of TechCred, in which **367 employers** were approved for funding, providing the opportunity for **Ohioans to earn 4,297 tech-focused credentials**. "Ohio's economy is growing, and we need to build a skilled workforce to sustain that growth," said Lt. Governor Husted. "Having a program like TechCred is very popular with Ohio employers who are using it to help upskill or reskill their workforce so they can continue to grow." "The fact that this is the 20th application period is a testament to the success of the TechCred program and its vital importance to our state economy," said Ohio Department of Higher Education Chancellor Randy Gardner. "This is one of the most successful workforce training programs I've seen in all my years in state government."

The current application period for Ohio employers opened **July 3, 2023**, and will close on **July 31, 2023, at 3:00 p.m.** Apply now at TechCred.Ohio.Gov.

Teacher Boot Camp 1.0 was a great success!

100% of the teachers who participated in the Boot Camp reported that it was an excellent and eye-opening experience. It was exciting to see how each of them plan to incorporate what they learned into their lessons next school year. A big THANK YOU goes to our participating manufacturing partners – Graphic Packaging, POET, Sakamura, STAR, Whirlpool and Wilson Bohannon – for making this such an enriching experience.
