Signature of Applicant:			Date:
Approved By:			Date:
Student meets prereqs.:	_____		Date: _____

Social Security Number: We are requesting your Social Security Number pursuant to Public Law 93-579 for the College's system of student records as well as for compliance with federal and state reporting requirements. A SSN is required if you are applying for financial aid. The SSN will not be used as the student ID number, but providing a SSN will speed up the processing of your application. Supplying a SSN ensures that you will be able to claim educational tax credits, if eligible, on your Federal or State tax returns, enable certification of Veterans benefits, and enable the College to provide the information to entities requiring the SSN, including, but not limited to the federal government for financial aid, internal revenue service for tax credits. Immigration and Naturalization Service, and Ohio Board of Regents for audit reporting purposes. The College has a strong commitment to ensuring your privacy and confidentiality of student records.

Thank you for your interest in the Sixty Plus Program at Marion Technical College. Your registration is a non-credit, space available basis. Please refer to our website, www.mtc.edu for course descriptions and lab fees. You are responsible for all lab fees. If you have any questions feel free to contact the Office of Student Records.

You will be notified by the end of the first week of classes by the Office of Student Records if there is a seat available. You are encouraged to attend the first week even if you have not been notified so that you will not fall behind if there is a seat available. If you decide to take classes for credit, you will need to complete the Application for Admission.
