

## Clinical Hour Obligations

Listed below are the hourly clinical obligations and possible clinical locations for the Radiography Program.

### CLINICAL ROTATION-JUNIOR STUDENTS

The following is a list of the clinical rotation assignments for the junior year. The Clinical Coordinator, student, and clinical faculty members will work toward the completion of rotations. The Program Director has the authority to make changes as necessary.

The students are scheduled for a 16-32 hour week. A clinical day will be 8-8.5 hrs. Days over 5 hrs include a 30 min lunch and two 15 minute breaks.
